

ISRAEL VOTES 2019

Election analyst JAMES MARLOW compiles this week's poll numbers based on the leading Israeli pollsters: Midgam Panel, Statnet Institutes, TNS Teleseker, Panels Politics, Direct Polls, Camille Fuchs, Maagar Mohot, Rafi Smith Research, Dr Mina Tzemach and Mano Gever.

In total, 47 parties have registered to run but several are likely to drop out before election day. Only the parties expected to cross the 3.25% minimum threshold are listed below. If a party receives less than the minimum 4 seats, the votes are discarded.

The poll below was compiled on Wednesday 27 March 2019.
